Subject: June meeting minutes
Attachments: 2015-06-09-minutes.pdf

Here is the meat of June's meeting minutes.

July's meeting was at Hooters and as such, was not a formal meeting. Here is the info for July's get together:

- 1.....July 4th's poker run brought in \$817 towards the American Legion Legacy Scholarship fund, that includes the poker run, raffle, and donations.
- 2.....Nation of Patriots tour, brought in \$100. We had us with 6 bikes/trikes and 9 folks. Fort Thunder was a host host for this year's receiving of the flay. FT had Military Appreciation Day which included a OSBI Blood Drive, band, a food truck (OKC Street Eats), and Military discounts on merchandise. American Legion Post 453 in Dallas was a great host to us. They invited us back next year for the NoP tour. Dallas HD HOG Chapter had approximately 30 folks attend to receive the flag.

Tonight, 18 July, Downed Bikers Association, DBA, is having a poker run out of VFW Post 9265 (where we meet) starting at 6pm. That's right, it is in the evening, so it should be a lot cooler, temperature wise.

-----the Address for the Post is 4605 S. Pennsylvania Ave in OKC.

If you plan on attending the Legion Convention this weekend and staying overnight, call the Grand Casino, in Shawnee, and ask for the American Legion rate of \$89.

Their phone number is (405) 964-7777. The casino is easy to find and just North of I-40. If it was any closer to the highway, they would have to paint a strip on it.

Y'all have a great weekend. Make sure your bike AND you are ready for the summer. Check tire pressure, brake pad/shoe conditions, and very importantly, drink lots of water and carry extra water with you on the bike. With the high temps this weekend, riding your motorcycle is like sitting in front of a heater. Dehydration can come upon you quickly and put you in danger. If high temps have an adverse affect on you, you might want to consider travelling during evening/night hours or in the early morning hours when it is cooler.

Have fun

Be safe

Keep your head on a swivel.

Address for the casino is:
Grand Casino Hotel Resort
777 Grand Casino Boulevard
Shawnee, Oklahoma 74804
