- B. Rex Warlick's recent hospitalization.
- C. Terri & Barry Robinette and their recent health issues. Terri has had two rotator cuff surgeries and is now the past president of the Blue Star Mothers after having served two very vigorous years. Barry is still suffering from heart disease.
- D. Ramona Crutcher reported that she talked to Julie Tosh at the Children's Home regarding the June 7th ride. She obtained the Children's Home Authorization for Release of Information and explained the Children's Home requirements. Only one person needs to have a background check completed, as long as the entire group is riding together. This is different than how the rides have gone in the past. Formerly, the riders would take a kid, ride them around a couple of blocks, drop them off and pick up another child. Everyone was pretty much on their own. Now the Children's Home requires the bikers riding together in a group, with the person who has the background check done riding with them. After further discussion, Ramona Crutcher said she would ask Ken Larcher if he would get a background check done and have it ready by the Post's regular meeting on June 3, 2008.
- E. Ramona Crutcher then reported on her attendance at the 5th District Meeting in Norman.
- F. The upcoming statewide convention at the Biltmore Hotel in July, 2008.

- G. Christi Carter reported on the ordering of t-shirts for both the Post and the Auxiliary.
 - H. Fourth of July Raffle. Gifts are already being obtained from vendors.
 - I. Separating Auxiliary money from the Post money.
 - J. Election of officers, postponed to the next meeting. Needs to be done by June 30th.
 - K. Things to do at meeting to increase membership interest, including scheduling so that persons with varying shift duties can attend the meetings.
 - L. Next meeting is scheduled for **Saturday, June 28, 2008 at 5:30 p.m.** at the Riverwind Casino.
4. Meeting was adjourned at 7:30 p.m.
